Who can stay at the guest house?

Close to your loved one, with space to find rest.

The Guest House is mainly for family members of adult patients who are staying at Amsterdam UMC, either at the VUmc or AMC location. Patients who live far away and need to attend an outpatient appointment may also stay with us for a short period, provided they are able to take care of themselves. If rooms are available, we also welcome family members and loved ones of patients staying at other hospitals, rehabilitation centres and hospices in Amsterdam and Amstelveen. Close to your loved ones, with space to rest and recharge.
