

University General Practice

Do you live near Amsterdam UMC, VUmc location, and need a general practitioner? You can register with the University General Practice (UHP). Our doctors provide the same care as other general practitioners. In addition, they conduct scientific research and train students and junior doctors to become general practitioners.

We are open on weekdays from 8:00 AM to 5:00 PM. In the evenings and on weekends, just like patients from a regular practice, you can visit the after-hours GP service.
